

Personalized Merchant Services to Help Your Business Thrive

Edge Commerce is a local merchant services provider committed to finding solutions to help increase the profitability and success of your business. We will fight to get you the lowest rates possible each step of the way. Our primary focus areas are retail point of sale (POS), restaurant POS, and payment processing solutions. Whether you own a Carniceria or an apparel store, we have what you need to increase revenue and streamline your operations.

What Sets Edge Commerce Apart

Competitive Pricing

Our POS and merchant services purchasing options are guaranteed to fit any budget and improve your margins.

Customizable Solutions

We work in various industries and can customize any hardware or software solution to fit your unique business needs.

Trustworthy Experts

Between our world-class customer service support and expert consultants, you will have everything you need at the touch of a button.

Local Merchant Services

We are a local merchant services company committed to finding the most optimal solution for your business. If your business is based in the following regions, **contact us today** for a consultation!

Reno

Sacramento

Lake Tahoe

Local Merchant Services

Edge Commerce helps you find the solutions you need to **enhance efficiency** and **increase revenue** for your business through personalized consultation services.

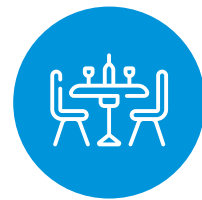

Payment Processing

Benefit from contactless payments, cash discount programs, next-day funding, and more. Our solutions will bring your company into the digital age and provide the latest payment innovations to keep up with changing consumer behavior.

Retail POS

No matter what type of retail store you operate, we can connect you with the best retail POS solution. With the right technology, you will improve employee productivity, increase sales margins, and market your store more effectively.

Restaurant POS

A high-quality restaurant POS system will monitor sales, track inventory and ingredients, effectively market to customers, and control labor costs. With these benefits, you'll give your restaurant a leading edge over the competition.

Solutions to Help Your Business Succeed

At Edge Commerce, we strive to build quality, long-term relationships with our customers, fighting for them to get the best rates possible and helping them leverage technology solutions to enable their businesses to thrive. We provide one-on-one consultation services to determine the best-customized software solutions for every budget.
